THE FOUNDER

Deborah Alessi, a dynamic Scottish business woman and CEO of several international brands, has nurtured a deep passion for health and beauty since a young age. Her active lifestyle and extensive experience working with global enterprises and Fortune 500 companies have driven her to explore the world, including the idyllic Maldives, in search of the most innovative wellness and feel-good treatments. Driven by an unstoppable passion, Deborah has collaborated with a team of doctors and industry experts to develop bespoke vitamin drip formulas designed to rejuvenate, revive, and enhance natural beauty. Her commitment also extends to social causes: in 2007, she founded FaceForward, a California-registered non-profit organization. Face Forward provides emotional support and reconstructive surgery to women, children, and men who have been victims of domestic violence, abuse, and human trafficking worldwide, demonstrating her deep dedication to comprehensive wellness.
